GILA COUNTY ATTORNEY'S OFFICE

ANNUAL REPORT ON INVESTIGATION OF CHILD ABUSE CASES

2014-2015

SUMMARY

Arizona Revised Statutes (A.R.S.)§8-817 requires each County Attorney to independently submit an annual report of activity under the "Multidisciplinary Protocol for Investigation of Child Abuse." The Gila County Attorney's Office tracks those cases submitted for review.

Prosecution Agency Activity-Gila County Attorney's Office:

The following table represents cases designated as Criminal Conduct Allegations (CCA).

Submittals by A.R.S. Charge	CCA Charges Filed	Not Filed	Disposition by A.R.S. Charge
34	20	14	2

Submittals reflect law enforcement reports received by the Gila County Attorney's Office during the fiscal year 2013-2014.

CCA Charges Filed are cases where in the Gila County Attorney filed at least one charge reflecting a CCA.

Not filed includes matters declined, diverted, referred to another agency for prosecution, cases received but still under review (4), and cases presented to the Grand Jury, but a No Bill was returned.

Dispositions include cases completed by the prosecutor that resulted in a conviction, an acquittal or dismissal. This also includes cases charged in a prior year, but completed in this fiscal year.

Law Enforcement Agency Activity:

No statistics are available from Law Enforcement. Of the 34 reports referred to the Gila County Attorney's Office, most of them involved joint investigation with involvement from CPS and /or a forensic interview. Those matters wherein a joint investigation did not occur it was due to it being unfeasible.
